Business bachelor's degree

University of Nevada, Reno

Expected June 2029

High School Diploma

Mount Si High School

June 2025

Experience

All Skills Softball Summer Camp | Redmond, Washington

July 15th, 2025- July 17th, 2015

Camp helper

- I helped young softball players develop through my coaching
- I helped the younger girls build confidence in their skills by making this experience fun and memorable while I adapted to giving different feedback and using different teaching styles to each individual and I organized the structure of drills and warmups
- I helped with the logistics such as: What gear, how much gear, what to do with the gear, registration, and communication with the parents and guardians.
- I interacted and collaborated with the leader of the camp to ensure my ideas were ideal and would make camp go smoothly while also making safety precautions, such as: helmets while hitting, facemasks while throwing, etc
- I made this camp fun so that these girls can bring their friends and more softball girls for next summer.
- Percent of increased sales is TBD; I helped 40 girls; The dollar value was 27.7 an hour; 3 hours for 3 days= \$250 total

Skills

- Creative problem-solving, leadership/mentoring, adaptability, work ethic, reliability
- CPR certification (02/9/2024)
